Introduction

Relationships among people are at the foundation of Christian ministry and as such are central to the life of the church. Defining healthy and safe relationships through policies and codes of conduct is not meant, in any way, to undermine the strength and importance of personal interaction in our ministries. Rather, it is to assist in more clearly defining behaviors and practices that allow the church to more fully demonstrate its love and compassion for children and youth in sincere and genuine relationships.

Relationships in ministry should, ideally, always be experienced as caring and without intention to do harm or allow harm to occur. This Code of Conduct has been adopted by the Diocese of North Dakota to help the church create safe environments for children and youth and for those who minister to them. All Church Personnel are asked to carefully consider each statement in the Code and within the Policies for the Protection of Children and Youth from Abuse before agreeing to adhere to the statements and continue in service to the church.

CODE OF CONDUCT FOR PROTECTION OF CHILDREN AND YOUTH

- Church Personnel agree to do their best to prevent abuse and neglect among children and youth involved in church activities and services.
- Church Personnel agree to not physically, sexually or emotionally abuse or neglect a child or youth.
- Church Personnel agree to comply with the policies for general conduct with children and youth as defined in these Policies for the Protection of Children and Youth from Abuse.
- All Church Personnel agree to comply with the Guidelines for Appropriate Affection with children and youth.
- In the event that Church Personnel observe any inappropriate behaviors or possible policy violations with children or youth, church personnel agree to immediately report their observations.
- All Church Personnel acknowledge their obligation and responsibility to protect children and youth and agree to report known or suspected abuse of children or youth to appropriate church leaders and state authorities in accordance with these policies.
- Church Personnel understand that the church will not tolerate abuse of children and youth and agree to comply in spirit and in action with this position.

2. Any and all Church Personnel who **OCCASIONALLY WORK WITH OR AROUND CHILDREN OR YOUTH** shall be screened and selected utilizing at least the following:
 - a. **A STANDARD APPLICATION** completed by the applicant that includes an acknowledgment for the release of information to conduct background checks and the **CODE OF CONDUCT** (Appendix C).

3. All information gathered about an applicant will be carefully reviewed and evaluated to make a determination, in consultation with others as necessary, of whether or not the person is appropriate to work with children or youth.
4. Church Personnel who work with or around children or youth must have a personnel file that is kept where other church records are kept.
5. Criminal records checks and sexual offender registry checks will be conducted every five (5) years for Church Personnel who Regularly Work With or Around Children or Youth.
6. To the extent possible, no person will be permitted to supervise an immediate family member when working with or around children or youth. For the purpose of this policy,

immediate family member is defined as spouse, partner, child, parent, sister, brother, similar in-law relationship, stepchild, stepparent, stepsibling, grandparent, or co-habitant.

7. Church Personnel who transfer within the Diocese of North Dakota and apply for or are asked to or who do undertake a position working with or around children or youth are required to undergo the same screening and selection process in Section A above. This requirement may be met through a transfer of a copy of their personnel file to the new congregation, school, agency, or program together with completion of a new application, individual interview and reference checks with the congregations, schools, agencies or other programs for which the applicant has worked with or around children or youth since the screening was last done as shown in the applicant's personnel file.

B. EDUCATION AND TRAINING REQUIREMENTS:

1. Three hours of child abuse prevention education and training is required for all **CHURCH PERSONNEL WHO REGULARLY WORK WITH OR AROUND CHILDREN OR YOUTH** before they start their work with children or youth or, if that is not possible, with the consent of the ecclesiastical authority in that congregation, one hour of child abuse awareness training before they start their work and the rest of the training within three months of starting.
2. One hour of child abuse awareness education and training is required for all **CHURCH PERSONNEL WHO OCCASIONALLY WORK WITH OR AROUND CHILDREN OR YOUTH** before they start their work with children or youth.
3. Church Personnel who are responsible for screening, selection and supervision of others in programs for children and youth are required to complete an additional three (3) hours of specialized education and training in screening, selection and monitoring every two years.

C. MONITORING AND SUPERVISION OF PROGRAMS:

The monitoring and supervision of programs and activities involving children or youth is important for safeguarding children and youth and involves several aspects. One aspect involves having structural guidelines or standards for the programs and activities for children and youth. These include such things as who approves new programs, how many adults need to be present and the like. In addition to setting structural guidelines and standards, church leaders must make sure the structural safeguards are followed. Programs and activities have to be monitored and supervised to do that.

Another aspect of monitoring and supervision is that supervisory personnel and others monitor and supervise the behavior of adults, youth and other children with children and youth so that inappropriate behaviors and interactions can be detected and stopped. Some behaviors and interactions are potentially harmful to children or youth in and of themselves. Examples include providing alcohol or drugs to children or youth or actually having sexual contact with a child or youth. Other behaviors and interactions are not necessarily harmful in and of themselves but are the same behaviors and interactions known to be used by those who abuse children or youth to "groom" them or their parents for eventual abuse or which provide the privacy child molesters need in order to

abuse children or youth. Examples of those behaviors and interactions include holding children over the age of three on the lap, transporting a child or youth alone, and the like.

The structural guidelines and standards are covered in both this **MONITORING AND SUPERVISION** section and in the following section, **GENERAL CONDUCT FOR THE PROTECTION OF CHILDREN AND YOUTH**. The behaviors and interactions of persons with children and youth that need to be monitored and supervised are covered in the section on **GENERAL CONDUCT FOR THE PROTECTION OF CHILDREN AND YOUTH** and in the **GUIDELINES FOR APPROPRIATE AFFECTION**.

1. Every program for children and youth must have established ratios for adults and children. Compliance with the established ratio is required at all times, including activities that occur off church premises.
2. Church Personnel are prohibited from being alone with a child or youth or multiple children or youth where other adults cannot easily observe them.
3. Church Personnel over the age of 21 must directly supervise Church Personnel under the age of 18 and be physically present during all activities.
4. An up to date list of approved congregation-sponsored programs for children and youth will be maintained in the church office or other place where church records are kept.
5. Church Personnel are not permitted to develop new activities for children and youth without approval from the rector or canonical equivalent. Requests to develop new activities should be submitted in writing to the rector. The rector will consider whether the plan for a new activity includes adequate adult supervision.
6. Each program will develop age-appropriate procedures to ensure the safety of children and youth using restrooms and showers or baths.
7. When supervising or assisting private activities such as dressing, showering or diapering infants or children, Church Personnel will remain in an area observable by other adults or work in pairs.
8. At least two unrelated Church Personnel must supervise activities. When both boys and girls are participating, male and female adults must be present.

D. GENERAL CONDUCT FOR THE PROTECTION OF CHILDREN AND YOUTH:

The following guidelines are intended to assist Church Personnel in monitoring and supervising behaviors and interactions with children and youth to identify and stop those that may be inherently harmful to children or youth, that are the type used by child molesters to groom children, youth and their parents, or that may create the conditions where abuse can occur more easily. These guidelines should also be used to make decisions about interactions with children and youth in church sponsored and affiliated programs. They are not designed or intended to address interactions within families. When exceptions to these guidelines must be made, they should be reported to the supervisor of the Church Personnel making the exception as soon as possible.

1. All Church Personnel who work with children or youth must agree to comply with the Diocese of North Dakota Guidelines for Appropriate Affection (Appendix A).
2. No person will be allowed to volunteer to **REGULARLY WORK WITH CHILDREN OR YOUTH** until the person has been known to the clergy and congregation for at least six months.
3. Programs for infants and children under six (6) years old will have procedures to ensure that children are released only to their parents or legal guardians or those designated by them.
4. Church Personnel are prohibited from the use, possession, distribution, or being under the influence of alcohol, illegal drugs, or the misuse of legal drugs while participating in or assisting with programs or activities specifically for children or youth.
5. Parents or guardians must complete written permission forms before Church Personnel transport children and youth for a church sponsored activity or for any purpose on more than an occasional basis.
6. Church Personnel will respond to children and youth with respect, consideration and equal treatment, regardless of sex, race, religion, sexual orientation, culture or socio-economic status. Church Personnel will portray a positive role model for children and youth by maintaining an attitude of respect, patience, and maturity. They will avoid even the appearance of favoritism.
7. One-to-one counseling with children or youth will be done in an open or public or other place where private conversations are possible but occur in full view of others.
8. Church Personnel are prohibited from dating or becoming romantically involved with a child or youth.
9. Church Personnel are prohibited from having sexual contact with a child or youth.
10. Church Personnel are prohibited from possessing any sexually oriented materials (magazines, cards, videos, films, clothing etc.) on church property or in the presence of children or youth except as expressly permitted as part of a pre-authorized educational program.
11. Church Personnel are prohibited from using the Internet to view or download any sexually oriented materials on church property or in the presence of children or youth.

12. Church Personnel are prohibited from discussing their own sexual activities, including dreams and fantasies, or discussing their use of sexually oriented or explicit materials such as pornography, videos or materials on or from the Internet, with children or youth.
13. Church Personnel are prohibited from sleeping in the same beds, sleeping bags, tents, hotel rooms or other rooms with children or youth unless the adult is an immediate family member of all children or youth in the bed, sleeping bag, tent, hotel room or other room. It is acceptable to have multiple adults sleep with all the children or youth participating in one open space such as a church basement or camp lodge.
14. Church Personnel are prohibited from dressing, undressing, bathing, or showering in the presence of children or youth.
15. Church Personnel are prohibited from using physical punishment in any way for behavior management of children and youth. No form of physical discipline is acceptable. This prohibition includes spanking, slapping, pinching, hitting, or any other physical force. Physical force may only be used to stop a behavior that may cause immediate harm to the individual or to a child, youth or others.
16. Church Personnel are prohibited from using harsh language, degrading punishment, or mechanical restraint such as rope or tape for behavior management.
17. Church Personnel are prohibited from participating in or allowing others to conduct any hazing activities relating to children's or youth ministry or camp activities.

Responding to Problems

A. REPORTING INAPPROPRIATE BEHAVIORS OR POLICY VIOLATIONS WITH CHILDREN OR YOUTH

When Church Personnel observe any inappropriate behaviors that are inconsistent with the *Guidelines for Appropriate Affection*, or behaviors which may violate any provision of the **Policies for Protection of Children and Youth from Abuse**, they must immediately report their observations/concerns to one of the following:

- a diocesan intake officer (names are posted on the diocesan web site)
- the rector or clergy person in charge of the congregation
- the senior warden of the congregation
- the bishop

Examples of inappropriate behaviors or policy violations would be seeking private time with children or youth, taking children or youth on over-night trips without other adults, swearing or making suggestive comments to children or youth, or selecting or using staff or volunteers without the required screening.

Church Personnel are required to report any suspected or known policy violations to one of the individuals above. NOTE: One of the diocesan intake officers should be notified promptly of any suspected or known policy violation that is initially reported to any of the other persons listed above.

Reports may be made via any of the following:

- Telephone call
- Letter
- Email
- Fax
- In-person meeting
- Filing a "Notice of Concern" (a form is available at the Diocesan website or from the Diocesan Office)

All reports of inappropriate behavior or policy violations with children or youth will be taken seriously.

B. REPORTING SUSPECTED ABUSE OF CHILDREN OR YOUTH

1. All Church Personnel are required by this policy to report known or suspected abuse of children or youth to the appropriate state authorities.
2. Failure to report suspected abuse of children or youth may be a crime. Reports may be made confidentially or anonymously. Every state provides immunity from civil liability for persons required to report suspected abuse in good faith and without malice. Simply stated, "in good faith" means that the person submitting the report believes what he or she is reporting to be true.

3. In addition to reporting to the state authorities, Church Personnel are required to report any suspected or known abuse of children or youth that may have been perpetrated by Church Personnel directly to the rector of the congregation so that immediate and proper steps may be taken to ensure the safety of alleged victims.
4. Reports of suspected or known abuse that involve Church Personnel may be reported to the Diocese of North Dakota in the following ways:
 - a. A telephone call, meeting or fax to the bishop or one of the intake officers.
 - b. A telephone call or meeting with the rector, if the rector is not the person being complained about.
 - c. Submit a signed **NOTICE OF CONCERN** (Appendix B).
5. The Diocese of North Dakota and its member congregations will cooperate with any investigation by state authorities to the fullest extent appropriate and inform authorities that a concurrent internal investigation will be directed by the Diocese of North Dakota,

A. GUIDELINES FOR APPROPRIATE AFFECTION

The Diocese of North Dakota and its member congregations are committed to creating and promoting a positive, nurturing environment for our children's and youth ministries that protect our children and youth from abuse and our Church Personnel from misunderstandings. When creating safe boundaries for children and youth, it is important to establish what types of affection are appropriate and inappropriate; otherwise that decision is left to each individual. Stating which behaviors are appropriate and inappropriate allows Church Personnel to comfortably show positive affection in ministry, and yet identify individuals who are not maintaining safe boundaries with children or youth. These Guidelines are based, in large part, on avoiding behaviors known to be used by child molesters to groom children or youth and their parents for future abuse. The following guidelines are to be carefully followed by all Church Personnel working around or with children or youth.

1. Love and affection are part of church life and ministry. There are many ways to demonstrate affection while maintaining positive and safe boundaries with children and youth.

Some **POSITIVE** and **APPROPRIATE** forms of affection are listed below:

- Brief hugs.
- Pats on the shoulder or back.
- Handshakes.
- "High-fives" and hand slapping.
- Verbal praise.
- Touching hands, faces, shoulders and arms of children or youth.
- Arms around shoulders.
- Holding hands while walking with small children.
- Sitting beside small children.
- Kneeling or bending down for hugs with small children.
- Holding hands during prayer.

- Pats on the head when culturally appropriate. (For example, this gesture should typically be avoided in some Asian communities).

2. The following forms of affection are considered **INAPPROPRIATE** with children and youth in ministry setting because many of them are the behaviors that child molesters use to groom children or youth and their parents for later molestation or can be, in and of themselves, sexual abuse.

- Inappropriate or lengthy embraces.
- Kisses on the mouth.
- Holding children over three years old on the lap.

- Touching bottoms, chests or genital areas other than for appropriate diapering or toileting of infants and toddlers.
- Showing affection in isolated areas such as bedrooms, closets, staff only areas or other private rooms.
- Occupying a bed with a child or youth
- Touching knees or legs of children or youth.
- Wrestling with children or youth.
- Tickling children or youth.
- Piggyback rides.
- Any type of massage given by a child or youth to an adult.
- Any type of massage given by an adult to a child or youth.
- Any form of unwanted affection.
- Comments or compliments (spoken, written, or electronic) that relate to physique or body development. Examples would be, "You sure are developing," or "You look really hot in those jeans."
- Snapping bras or giving wedgies or similar touch of underwear whether or not it is covered by other clothing.
- Giving gifts or money to individual children or youth.
- Private meals with individual children or youth.
